Dear OCSI Families,

OCSI Summer Academy's mission is to equip English-learning students with 21st Century skills and knowledge to effectively walk with Jesus and impact the world for Him. Our summer program provides a safe, enriching, and interactive environment with goals of reducing summer learning loss, accelerating academic achievement, and engaging students in learning experiences. Elementary students will have daily reading, writing, and math along with enrichment experiences to include arts and crafts, coding, sports, science experiments, and more. Middle School students will experience a half-day of engaging academic learning combined with a half-day of sports and enrichment activities.

This year the OCSI Summer Academy will feature three exciting themes:

- **Week 1 (6/19-6/23): Sports & Games**
- **Week 2 (6/26-6/31): H2OCSI: Water Science**
- **Week 3 (7/3-7/7): Busy Builders**

We are also excited to offer a new half-day ESL program! Students will be enrolled in this special program based on principal and teacher recommendations. The Kindergarten-2nd grade ESL program will take place in the morning and the 3rd-5th grade ESL program will take place in the afternoon. During the rest of the day, students will join their classmates for specials and enrichment activities.

The OCSI Summer Academy is open to all current and incoming (accepted or waitlisted) OCSI students in grades Pre-K* to grade 8. Our school day goes from 8:25 AM (drop-off from 8:00) to 3:00 PM (pick-up by 3:15). Students may enroll in either one, two, or all three weeks. A Cezars lunch and all learning materials will be provided for students (included in tuition). Bus transportation will be available for an additional fee.

* PreK students must turn 3 years old by June 1st
